

Application

BioHeatUSA
Wants You To
Show Us Your Wood Pile

We are looking for creative, imaginative, and artistic photos of stacked cord wood. If you have an interesting wood pile, setting or method of stacking your wood, enter our contest. The first 50 entries will receive a BioHeatUSA wood pile poster.

Photographs submitted will be used to create a poster. This poster will be sold with all of the proceeds' donated to a Fuel Assistance Program.

Submit your high resolution photo of your wood pile for a chance to win one of the following prizes!

- 1 Grand Prize winner – Tarm Solo Innova Cord Wood Boiler
- 3 Second Prize winners – Love-Less AshVac Ash Vacuum System
- 5 Third Prize winners – BioHeatUSA Cord Wood Moisture Meter

Your Name _____
Street _____
