

Certificate of Boiler Efficiency

*Eligibility for the American Recovery and Reinvestment Act of 2009
Internal Revenue Service Tax Credit*

We are pleased to inform you that as part of the recent stimulus package your Tarm Biomass boiler purchase may qualify you for a \$1500.00 federal tax credit. It is not necessary to submit this certificate with your tax return, however, please keep this certificate for your records as required by the IRS. Please consult a tax professional to determine if you are eligible for this credit.

The following "biomass burning stoves" are "qualified energy property" as defined in Section 2.03(c) of the Internal Revenue Service Notice 2009-53:
