

# Years Behind Us...

THE SECURITY OF NEXT YEAR'S FUEL SUPPLY drying in the sun outside your home is matched by the security you feel knowing you've invested in the best heating equipment available. As your partner in that investment, we'll be there to support your choice for many, many years to come.

The Nichols family began selling **HS Tarm** and other high efficiency wood boilers during the oil crisis of the early 1970's. Customers who bought boilers back in those days continue to be our best source of referrals.

# Put Us Years Ahead

SINCE THE BEGINNING, **Tarm Biomass** has partnered with the world's best manufacturers. These relationships, plus two generations of commitment to the biomass industry, have given us the product selection, technical expertise, and experience necessary to assure you get the right

heating system installed correctly. We look forward to counting you among our family of long-term, satisfied customers.

# Here's how to reserve your Tarm Biomass boiler at these special discounts!

1. Go to [www.tarmbiomass.com](http://www.tarmbiomass.com) to find an authorized dealer near you. If we do not have a dealer in your area, please call **1-800-782-9927** to consult with our experienced sales staff and choose the model best suited to your needs.

2. Place a \$1000 deposit on an in-stock boiler by May 16, 2011. Tarm Biomass and most dealers will accept major credit cards\*, checks or money orders.

3. Tarm Biomass has a wide range of boiler and heat storage accessories. Please be sure to discuss with your dealer which products and accessories will optimize your boiler investment.

4. Boilers, tanks and accessories will be shipped upon receipt of full payment. All boilers and tanks must ship by June 15 to qualify for Spring Sale savings.

**fröling** FHG – save up to \$1,000!

*The most sophisticated wood boiler available in North America, the FHG is also the most efficient, and easiest to use. Two stage gasification and Lambdatronic combustion air control mean this boiler uses significantly less wood than traditional wood boilers. A heat storage system must be used with this boiler.*

- unsurpassed efficiency
- unique second ash removal door
- ignition port for easy lighting
- smoke extraction passage prevents smoke roll out during reloading

**HS TARM** SOLO INNOVA – save up to \$1,000!

*Solo Innova is a patented, wood-fired gasification boiler available in two sizes with outputs from 102,500 (model 30) to 170,700 (model 50) BTU/hr. A heat storage system must be used with this boiler.*

- standard turbulators improve heat transfer efficiency
- easy to light with powerful induced draft
- smoke extraction passage prevents smoke roll out during reloading

**fröling** P4 – save up to \$2,400!

*The Fröling P4 pellet boiler is a fully automatic pellet boiler that can easily provide 100% of your space heating and domestic hot water needs on a year round basis. The P4 offers the highest level of convenience and efficiency in a renewable fuel boiler.*

- automatic lighting, cleaning and fuel handling
- normally used in conjunction with a bulk pellet storage bin or silo, no fuel handling is required
- real-world efficiencies in excess of 85%
- integrated hopper model available for use with bagged fuel

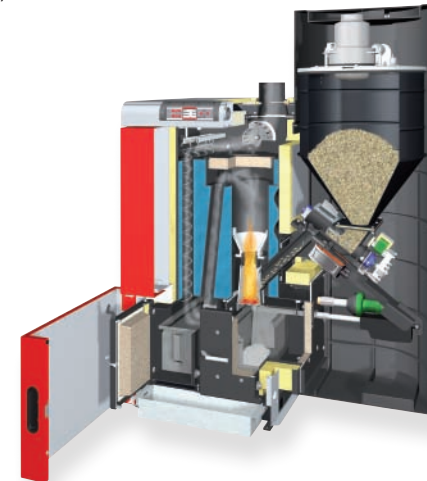

**FREE LK ACASO LOADING UNIT!**

This important accessory has a **\$600** value and is included for free with your Spring Sale boiler purchase. The Loading Unit combines a Grundfos circulator pump with a thermostatic mixing valve and is the best way to both protect your boiler from thermal shock and maintain highest boiler efficiencies. Thermal protection is required in order to maintain your boiler warranty.

**SOLO PLUS** – save \$750!

*Solo Plus is a patented, wood-fired gasification boiler available during the sale in two sizes, 140,000 and 198,000 BTU/hr. A heat storage system may be used with this boiler.*

- real world efficiencies of 75 - 80%
- clean burn with virtually no smoke or creosote
- large, easily accessible firebox
- easy to clean with very little ash

\*Tarm Biomass accepts deposits via MasterCard®, Visa®, and Discover® credit cards only. Deposits are non-refundable.
